P.S.- Not to sound cocky but, if i refuse your challenge it's because i want a difficult battle. ?

Thanks for the offer zgoods1, maybe after a little more time for you to learn?

SkullTraill ? That would be great. ?

Eddyhacks, if you want to judge still that's cool, we need a topic and a deadline. ?

PS, ONCE THE SIGS ARE DONE, Noone TELL WHOS IS WHOS, that way it's not a popularity contest.
