Thread: [\[Cracked\]WEP Cracked!](#)

Itzah - December 29, 2010, 8:24 pm

I'm so happy right now? I just cracked my first WEP network as i'm typing this on their internet hehehe? I'm thinking about APR poisoning them or RAtIng them IDK, and stepping a notch up with more advanced encryptions. Anyhow heres the proof.

Good job! I love it when it says "KEY FOUND!". I used to do this all the time.

Raijin - December 30, 2010, 1:52 am

Congrats on cracking it bro. Be careful not to get caught though.

Hehehe I did same , just for be more Secure (Hacked Wifi Spot + VPN) .

Do you know how to do ARP Poisoning in Windows ? I want to do it but i dont know how

Itzah - December 30, 2010, 9:45 am

Thanks guys for the replys i really appreciated it:)?

mibzzzer15 - December 30, 2010, 10:05 am

Great job man. What card are you using?

-.eViL.cReatiOn..- - December 30, 2010, 10:07 am

Congratz. Time to step-it-up now that you've got wep cracking down. Try WPA's next ?
