Thread: [Need a new signature](#)

I think it's time I changed my signature. Here is what I had in mind:

I'd like a signature similar to this one. I was unable to find this render so please if anyone can, please link me to it. The character in the signature is from 'Medal of Honor 2010' and I think it's called Tier 1. I'd like a similar dark/grunge theme to match the 'Medal of Honor 2010' render if it is found. The signature I showed above is ultimately what I am looking for.
