Thermal™ - January 9, 2011, 1:35 pm

Tag outcome looks quite amazing, I've seen this tag from Inter.

Tutorial is very well written & should hopefully help half the kids here on HF.

Thanks for the share, Buzz.

Intergalactik - January 9, 2011, 2:24 pm

thanks thermal. something messed up with the outcome. it should look like this

[img]http://i1029.photobucket.com/albums/y352/IntergalactikFX/charge.png[/img]

its cool though. nice tut buzzo

Alison Wonderland - January 9, 2011, 2:29 pm

look awesome.

Anyway i can get a link to the C4D's you used?

Gambeezy - January 9, 2011, 3:18 pm

Looks really nice! Very American and/or British colors too :P

I'll be trying this sometime

H??????a X™ - January 9, 2011, 6:33 pm

Saw this on Support Forums :) It's a good tutorials, thanks for sharing it.

Zombie_mage - February 3, 2011, 3:27 am

thnx for a great tutorial

Moclix - February 3, 2011, 5:34 pm

I've saw this tag before and it's simply stunning. I love the effects put into it thanks for taking the time to post this ;)

Intergalactik - February 3, 2011, 5:42 pm

thanks guys! i released the psd for the tag in a resource pack

Buzz Lightyear - February 3, 2011, 5:57 pm

Thanks guys! I'm glad you like it!

BedIntruder - February 3, 2011, 8:20 pm

Amazing Job when i get a chance ill try it out

-BedIntruder

WCKicksAss - February 7, 2011, 10:21 pm

Really awesome effect with c4d, been looking for something like this for a while,

fat n furious - *April 18, 2011, 1:32 pm*

Nice tut, pretty basic but nice for da kids ;)
