Nice tutorial long time no post :) your skill is awesome

Thanks for this

Charity - January 9, 2011, 10:31 pm

Definite like. Put together well and easy to follow.

Buzz Lightyear - January 9, 2011, 10:41 pm

Like I said earlier, I do not like the outcome, but very well put together.

Whether its your keylogger or Gfx tutorial, you have always tried to do something special.

This one looks so beautiful yet so simple to follow, this is "True Art".

I appreciate your effort.

10/10 for this tutorial.

Royal Flush - January 12, 2011, 5:39 am

What program do you use for this mate?
