Dude, recheck your program, you have a lot of typing mistakes, your english isn't really that good as you think.

And the GUI isn't so pretty ^.^

But still, good luck with the project.

emiak - January 16, 2011, 5:43 am
for all who have pm me ! dont pm me just add me on msn

High Definition - January 16, 2011, 8:01 pm
Adding HWID is ok, why you want people to add you on msn?

I remembered I did something similar last time and the person chewed my balls with their annoying

shits.
