Thread: [I need a simple and good ddos tool to ddos pc's \(ip's\)](#)

r0bin1995 - January 13, 2011, 5:12 am

Hello?,

I have search a long time in the world wide web but I dont find a good and simply ddos tool/program.

I have searched in this forum but I find thousands of ddos tools.

Please write down what is the best free ddos tool.??

There's one good, but just forgot the name- ion cannon something??
And another is goodbye

r0bin1995 - January 13, 2011, 5:21 am

Thank you I search the programs!

You mean Low Orbit Ion Cannon?

I have the programm but when I started to ddos a person I loszt my internet.

I think you got a bad net, just tested mine out, and crashed my mates net, not mine..(he agreed to let me test, would have done it anyway)..

r0bin1995 - January 13, 2011, 5:34 am

I wanted to ddos other Ips and not websites.

TaFFe - January 13, 2011, 5:48 am

Neither did i crash a website but him...

Stop using shitty dos programs that use your bandwidth.

Buy a shell booter from HF and use it. I suggest Orgy's. Or learn something and get prodigys up for yourself.

Otherwise buy some shells.

leeboy6660 - February 12, 2011, 1:02 pm

yeah shells are much better:P

sam0016 - February 12, 2011, 1:06 pm

there are some free shell booters around try some of them they can ddos

WhyYouRedBar - July 24, 2011, 7:17 am

if u need a booter go to my website u can get more then booter and hacking tools and more have fun <http://adf.ly/29ez1>

The Forum button on your site doesn't work. And i should only download the Shell Booter right ?

D3v1n :D - July 28, 2011, 11:40 am

i need one aswell. lol.. looking for a good one

h4oxer - July 28, 2011, 12:10 pm

WhyYouRedBar with your stupid money links -.-

BaconFrog - January 16, 2013, 10:07 pm

Everybody suggests Ion Cannon and the only thing that happens when I use it is it shut off my net lol
