FFS this is before lelouch was even born l2read please, I have to say this on most anime forums >.<  
Also, IMO the series blows .\_.

Yeah flash, they only made a character that looked like him to keep people reading it.

I gave it a look when it first began issuing.

Well the chapters made no sense then.

Why the hell are they using a shittier nightmare in R2 than in the prequel ;;

**SavageBoys** - January 13, 2011, 11:10 pm

Classic case of a plot fallout.

They wanted to make more money off of the code geass franchise so they threw something together.
