I started doing this Share Cash work Today and look i have earned a little bit of money.

I will be downloading you share cash links for cheap.

You will be getting more than you are paying me for sure.

As you seen in the pictures at the bottom of the topic, it shows that you will get much more than you are paying me....

I will not be sharing my own method that i found out my self today.

Nothing to do with Proxy !1 Links : \$0.30

2 links = \$0.40

3 Links : \$0.50

4 Links : \$0.60

And it keeps adding \$0.10 each.
