Thread: [Get Instant Backlink From PR10 Web Sites For Free \[FREE\] | \[TUTORIAL\] | \[ENJOY\]](#)

฿! T???? - January 17, 2011, 10:11 pm

Get instant backlink from PR10 web sites for free.

This is the most easiest way to get backlink to your website from highest PR10 Website for free just follow these easy instructions below:

If you need more analyst about niches keyword and SEO please go to www.techworm.org you will get free executive analyst and some advance tips about SEO

1. <http://www.google.com/profiles>

Create a Profile -> Edit your profile info -> Scroll down to the section "A custom links to my profile"
PR 10

2. <http://www.flickr.com/help/forum/en-us/>

Sign Up -> Personalize Your Profile -> Describe Yourself Box -> A HTML Code For Your URL + Anchor Text
PR 9

3. <http://www.excite.com/>

Create an account -> My Bookmarks -> Edit it
PR 9

4. <http://www.businessweek.com/>

Choose an article -> Leave a Comment (Older Articles will have a Higher PR).
PR 8

5. <http://www.philly.com/>

Register -> Choose any (or related) story you like -> Leave a 'comment' (Older Story's will have a Higher PR).
PR 7

6. <http://answers.yahoo.com/>

Again Like yahoo answers. Look for questions related to your niches/keywords and answer them linking to your site. You'll receive backlinks and traffic.
PR 7

7. <http://abovethelaw.com/>

Register -> Edit Profile -> Edit 'Bio' box to create your anchor text backlink
PR 7

8. <http://www.blurtit.com/>

Like yahoo answers, just answer a question with a backlink included. Niche related questions will then also send you traffic

PR 5

9. <http://www.wired.com/>

Register -> Choose an article of your interest -> Leave a 'comment'

PR 9

Thanks! That was amazingly helpful for clx.me site!

We all know even a few good backlinks can go a long way!

markomarkogame - January 17, 2011, 11:07 pm

Gotta love this little seo tricks ;)

Thanks you can register the site and be a member on www.techworm.org

Anarchy93 - January 19, 2011, 3:45 pm

If I'm not mistaken the backlinks will be nofollow? which means that it doesn't matter what PR the domain is.

Also it's my understanding that the domain has the PR so it would not matter if you comment on older articles, the PR of the domain will remain the same.

Danstoyz - January 19, 2011, 4:16 pm

Thanks for this. I'm going to try it.

fads23 - January 19, 2011, 4:40 pm

These links are "nofollow" links, so they don't boost your Google pagerank.
