Thread: [\[SOURCE\] FTP-Browser \[/Release\]](#)

The-One - January 19, 2011, 12:39 pm

Hello,

So, I've been using this for a while, I'm using because I can adjust it how I want it, enjoy.

Thanks for the replies, enjoy. ?

RiperFish - January 19, 2011, 12:41 pm

Thank's for the share man, good job :).

Cody8295 - January 19, 2011, 12:56 pm

Very nice, you should make it so you can drag and drop things to upload/download.

The-One - January 19, 2011, 12:57 pm

Wow, no problem, enjoy playing with it?

memesbro - January 19, 2011, 6:00 pm

How can we adapt this to upload/download/edit files?

The-One - January 20, 2011, 12:18 am
