They're not yours....
Why the fuck does it say "Gurgens A10 Tutorial List"
Also, ask permission.

Macintosh™ - January 23, 2011, 5:50 am

There. now we dont need to worry about that

Rokakku - January 23, 2011, 5:55 am

No dont remove them all, all you had to say is 'not mine'. They would have been helpful.

go easy he's new. You could have just said, ' i see your new, just label these as not your'

RebornX - January 23, 2011, 7:22 am

great work mate.
keep it up . thanks

Macintosh™ - January 23, 2011, 7:30 am

I was to tired last night to finish the list completely!

Alison Wonderland - January 23, 2011, 10:29 pm

well you could also do like sections?

Text - Renders - BG etc

Nice though. Looks great.

I'm an L33T

So i can update it now :D

DFTCHE - *February 1, 2011, 4:44 pm*

Thanks for the links very helpful.

Ultimatum! - *February 1, 2011, 5:46 pm*

Glad to know mine (well the one i posted) was featured :)

Buzz Lightyear - *February 1, 2011, 6:42 pm*

Thanks for adding mine. ./

masoom55 - *February 1, 2011, 7:19 pm*

Thanks for making the list mate really appreciate it
